Our gifts from God have made our lives better than they could otherwise have been.

Please consider how important YOUR gifts are to St. Mary's.

- Enclosed are the listings of opportunities for you to share your gifts at St. Mary's.
- A brief description of the ministries are located on the tables at the church entrance.
- Please take time to reflect on your God-given gifts and check the boxes for the ministries which you are interested in giving service to.
- Please return the completed surveys to Mass and drop in the collection basket, drop them off at the parish office, or mail them.

What If...?

Imagine how St. Mary's would change if we no longer reached out to the sick, the dying and lonely, the spiritually hungry. What if we suddenly stopped teaching children about the love of God? Picture a liturgy without music....Mass without hospitality...grief without support...

Giving = An Enriched Life

In Gratitude for all the blessings in our lives:

- *May God open our eyes that we may see the people in need*
- *Open our hands that we may always be ready to help our neighbor*
- *Open our hearts that we may share gladly whatever we have to give*

We know that our Church is better served when all of our members give of themselves in whatever way they can. May the Holy Spirit empower us to become good stewards.
