

2011 TRUSTEE AND PASTORAL COUNCIL BIOGRAPHIES

SECRETARY TRUSTEE CANDIDATE

TERRY WOOLF

I am a life long resident of Platteville. I have retired from the U.W. Platteville. As the father of 3 grown children, who graduated from St. Mary School, I see and understand the value of Catholic education at all levels. I am active in the Knights of Columbus, the Cub Scout Pack 83, The American Legion and many community efforts. My wife, Dee and I have chaired the parish festival for the past several years. I have been Trustee for 4 previous terms and I am most dedicated to the parish being a solvent, viable Christian family.

PASTORAL COUNCIL

Connie Koeller

I have been a member of St Mary's Parish since my family moved to Platteville in 1956.

I recently retired from the UW-Platteville after approximately 34 years of employment. I am employed part-time at Platteville Tax Service.

I am a life member of the Major Christopher Splinter Memorial Auxiliary 5274 and have served as treasurer since 2004.

In my retirement, I am looking forward to spending more time with my grandchildren, reading, and getting back into embroidery and counted cross stitch.

Jeff Schaefer

Jeff Schaefer is a lifelong member of St. Mary Parish and a graduate of St. Mary School.

He has been an usher for 10 years. He is married to Martha and has 2 children, Matthew and Rachel.

Jeff has been active with the Knights of Columbus for many years.

When Jeff is away from the church, he is busy with his own trucking business.

Dave Swanson

I'm a fairly new member at St. Mary's, having moved to Platteville two year's ago with my wife, Donna. We had lived in the Stevens Point area for 23 years and I served on the parish council at our St. Mary's Parish there for 4 years. My wife and I are retired and live about 7 miles west of Platteville. I am currently a Greeter, part of the "cleaning crew", and volunteer at the Mobile Food Pantry. For most of my career I was involved in retail sporting goods. We have 3 grown children, 3 grandchildren and 2 more on the way.
