### Wednesdays 24 Hour Eucharistic Adoration

May our nation walk  
in the ways of the LORD

### REFLECTION

"Or who has given the Lord anything that he may be repaid?" - Romans 11:35  
 St. Paul reminds us of a central fact of stewardship. We cannot give the Lord anything, because God already owns it all. God made everything. All that we can do is return a portion of God's many gifts back to Him. The good steward does this with gratitude.

### PLEASE NOTE

Starting this weekend, you will not be asked to walk thru two sets of pews to receive Communion. The priests will serve the two center pews first. If you are not in the church's center pews, please wait for those parishioners to be served. Then the priests will move to the outer sections to serve you. Thank You.

Anyone requesting prayer may call 348-6041. Please call in the morning between 8am & 9am.

### TUITION AID FUND

As we approach the beginning of a new year at St. Mary School, we call to your attention our Tuition Aid Fund. This fund helps families with limited means, to send their children to our school. Using the special envelope in your August packets, or just by putting it in a plain envelope and marking it Tuition Aid, you may make a general contribution to the fund or designate a particular student for your gift.

Thank you for your generosity and for helping to keep Catholic education alive and well in our community. As a point of reference, tuition for this coming school year is \$1,334.00 for 1 child.

### BLEST ART will have their beautiful hand carved art work for sale after Masses next weekend.

Dear Brothers and Sisters,

We are recommended by the Roman Catholic & Latin Patriarchs of Jerusalem, and by many other leaders of the Catholic faith.

The Olivewood handicrafts industry started in the Holy Land around the 4th century following the construction of the Nativity Church in Bethlehem. Since then, carvings became of great importance to the local Christians of the Holy Land, who rely on it for their livelihood.

Right around the turn of the last century, Palestinian Christian immigration started to increase dramatically. Once more than 63% of the population, Christians are now less than 1% of the people who live in the Holy Land.

Due to the violence that keeps erupting in the Holy Land, the tourism industry keeps dwindling, along with the Christian population. In the year of 2000 the last cycle of violence broke in that area and the tourism industry came to a never before low percentage, leaving the Christians struggling with no other industry to rely on.

Mr. Qumseya, and through his great experience as a master carver and sales person, was chosen by his people and by the Catholic Patriarch of Jerusalem, Michel Sabbah, to come to the United States with a noble mission and in an effort to help and preserve the very last of the Christian population in the Land of our Lord.

Since the start of its mission, Blest Art has helped hundreds of these struggling families by assisting several community programs such as schools, elderly centers, churches, and clinics. We would like to invite you to come and take a look at the beautiful artwork. If you like anything, please consider purchasing it because the people who chose to stay in the Holy Land to protect our holy sites deserve your help and support. Please, anything that you can do makes a difference. We gladly accept cash, checks, and all major credit cards. Please notice that we do not ask for, nor accept any donations. Sincerely your Brother in Christ, Jeryes Qumseya
