## THANK YOU

A heartfelt "Thank You" to all of the parishioners of St. Mary Parish for their prayers and financial support of the 2013 Mission Team that was in Jamaica January 3 through 11. The lives of several poor Jamaican families were made significantly better because of you!! Through your support we built one totally new home and also completely restored another with a new roof, doors, and windows. In addition we replaced the roof and reinforced the foundation on another home. A shower and new window screening was added to the rectory at Our Lady of the Assumption Parish. A variety of other small projects were also completed. We were also able to leave Fr. Baylon with some money to support the ongoing needs of the parish and community. None of the home sites we worked on had water, sewer or electricity. Each of the families were in desperate need of assistance. Thank you again and may God bless each of you and your families throughout the New Year. Christ's Peace To You Always, Deacon Bill Bussan
